Here are the YouTube links and online resources to help you cover the topics in BCA-303 Computer Architecture & Assembly Language:

UNIT-I: Basic Computer Organization and Design

1. **GeeksforGeeks** - *Computer Organization & Architecture*
   https://www.geeksforgeeks.org/computer-organization-and-architecture/
2. **YouTube** - *Basic Computer Organization and Design*
   https://www.youtube.com/watch?v=F9EwgfAYK34
3. **TutorialsPoint** - *Computer Organization and Architecture*
   https://www.tutorialspoint.com/computer_fundamentals/computer_architecture.htm

UNIT-II: Central Processing Unit (CPU)

1. **GeeksforGeeks** - *Central Processing Unit*
   https://www.geeksforgeeks.org/central-processing-unit-cpu/
2. **YouTube** - *Central Processing Unit (CPU) Organization*
   https://www.youtube.com/watch?v=wR4fyyYIu2w
3. **GeeksforGeeks** - *Pipelining: RISC vs CISC*
   https://www.geeksforgeeks.org/pipelining-risc-vs-cisc/

UNIT-III: Computer Arithmetic

1. **GeeksforGeeks** - *Computer Arithmetic*
   https://www.geeksforgeeks.org/computer-arithmetic/
2. **YouTube** - *Computer Arithmetic: Addition, Subtraction, Multiplication*
   https://www.youtube.com/watch?v=VXdb2kb8P2A
3. **YouTube** - *Booth's Algorithm for Multiplication*
   https://www.youtube.com/watch?v=OtY8Zta8HEM

UNIT-IV: Input – Output Organization

1. **GeeksforGeeks** - *I/O Organization and Data Transfer Techniques*
   https://www.geeksforgeeks.org/handshaking-io-modes/
2. **YouTube** - *I/O Organization and DMA*
   https://www.youtube.com/watch?v=RQ_gW9-L4bg
3. **YouTube** - *Priority Interrupts and Direct Memory Access (DMA)*
   https://www.youtube.com/watch?v=skaK7JJjb50

UNIT-V: Evaluation of Microprocessor

1. **GeeksforGeeks** - *Intel 8085 Microprocessor Overview*
   https://www.geeksforgeeks.org/intel-8085-microprocessor/
2. **YouTube** - *Intel 8085 Microprocessor Architecture*
   https://www.youtube.com/watch?v=wFJgUPQ2g0w
3. **YouTube** - *Intel Pentium Processors and Architecture*
   https://www.youtube.com/watch?v=ZZti0DaxFvQ

UNIT-VI: Assembly Language Programming

1. **GeeksforGeeks** - *Assembly Language Programming and Techniques*
   https://www.geeksforgeeks.org/assembly-language-programming/
2. **YouTube** - *Introduction to Assembly Language Programming*
   https://www.youtube.com/watch?v=jxy9EG7FPLg
3. **YouTube** - *Assembly Language Instructions & Macros in Assembly*
   https://www.youtube.com/watch?v=xVhks39fMhE

These links will provide you with detailed explanations and videos on all topics of **Computer Architecture and Assembly Language** to aid your understanding and learning.
