Here are some YouTube links and online resources that will help you cover the topics in BCA-401 Computer Graphics & Multimedia Application:

UNIT-I: Introduction to Computer Graphics

1. **YouTube** - *Introduction to Computer Graphics & Interactive Graphics*
   https://www.youtube.com/watch?v=F0k0rHhFA7I
2. **YouTube** - *Scan Converting Lines, Circles, and Ellipses*
   https://www.youtube.com/watch?v=m7uV2yW8Hn0
3. **GeeksforGeeks** - *Introduction to Computer Graphics*
   https://www.geeksforgeeks.org/introduction-to-computer-graphics/

UNIT-II: Display and Hardcopy Technologies, Clipping

1. **YouTube** - *Display Technologies and Raster-Scan Display System*
   https://www.youtube.com/watch?v=s-qZ6w5MYWU
2. **YouTube** - *Clipping Algorithms (Cohen-Sutherland & Cyrus-Beck)*
   https://www.youtube.com/watch?v=rfpxC0ys2zc
3. **YouTube** - *Introduction to Graphics Tools like Dreamweaver*
   https://www.youtube.com/watch?v=2t6NT64uQHI

UNIT-III: Geometrical Transformation and 3D Transformation

1. **YouTube** - *Introduction to 2D Transformations*
   https://www.youtube.com/watch?v=f-aIqFOunOk
2. **YouTube** - *Homogeneous Coordinates and Matrix Representation of 2D Transformations*
   https://www.youtube.com/watch?v=UbLpk75t9Wk
3. **YouTube** - *Window-to-Viewport Transformation*
   https://www.youtube.com/watch?v=J5d99LHr1WA
4. **YouTube** - *Introduction to 3D Transformations*
   https://www.youtube.com/watch?v=xft_TdmuIH0

UNIT-IV: Representing Curves, Surfaces, and Solid Modeling

1. **YouTube** - *Polygon Meshes, Cubic Curves, and Quadric Surfaces*
   https://www.youtube.com/watch?v=p0cdD5Wfdbw
2. **YouTube** - *Solid Modeling and Representations*
   https://www.youtube.com/watch?v=HCvU2XU8gkI
3. **YouTube** - *Boundary Representations and Constructive Solid Geometry*
   https://www.youtube.com/watch?v=rJxn3PghuWk

UNIT-V: Multimedia Concepts and Computer Animation

1. **YouTube** - *Introduction to Multimedia and Computer Animation*
   https://www.youtube.com/watch?v=4iZQGpLN2Ew
2. **YouTube** - *Types of Animation*
   https://www.youtube.com/watch?v=MNME8hItBws
3. **YouTube** - *Using Different Animation Functions*
   https://www.youtube.com/watch?v=NEPbg6F42mA

UNIT-VI: Uses of Multimedia and Project Making

1. **YouTube** - *Multimedia Applications and Uses*
   https://www.youtube.com/watch?v=gF_Pq5OIS44
2. **YouTube** - *Stages of a Multimedia Project*
   https://www.youtube.com/watch?v=G7K4k0kT9Os
3. **Khan Academy** - *Multimedia in the Digital World*
   https://www.khanacademy.org/computing/computer-programming

These resources should cover the core concepts in **Computer Graphics & Multimedia Applications**, from hardware and software aspects to 2D/3D transformations, solid modeling, and multimedia project development.
