Here are some helpful YouTube links and online resources for BCA-502: Java Programming and Dynamic Webpage Design:

UNIT-I: Java Programming

1. **YouTube** - *Java Programming Tutorial for Beginners*
   https://www.youtube.com/watch?v=grEKMHGYyns
2. **YouTube** - *Java Arrays, Strings, and Vectors*
   https://www.youtube.com/watch?v=Zbg_M_3z4II
3. **YouTube** - *Java Inheritance and Exception Handling*
   https://www.youtube.com/watch?v=fTLg9wnw50g
4. **GeeksforGeeks** - *Java Programming Basics*
   https://www.geeksforgeeks.org/java/
5. **YouTube** - *Multithreaded Programming in Java*
   https://www.youtube.com/watch?v=97Ymxb0Aq8Y

UNIT-II: Java Applets, AWT Controls, and Layout Management

1. **YouTube** - *Java Applets and AWT Basics*
   https://www.youtube.com/watch?v=OELg-6lylB4
2. **YouTube** - *Java AWT Controls and Event Handling*
   https://www.youtube.com/watch?v=R4fDppYtu6g
3. **GeeksforGeeks** - *AWT Components in Java*
   https://www.geeksforgeeks.org/awt-components-in-java/
4. **TutorialsPoint** - *Java Layout Manager*
   https://www.tutorialspoint.com/java/java_layout_managers.htm

UNIT-III: Networking and JDBC

1. **YouTube** - *Java Networking with Datagram Socket and TCP/IP Server Socket*
   https://www.youtube.com/watch?v=1g9dFZEXFFw
2. **YouTube** - *Java JDBC Tutorial*
   https://www.youtube.com/watch?v=RjmDrpi3QWI
3. **GeeksforGeeks** - *JDBC Tutorial*
   https://www.geeksforgeeks.org/java-database-connectivity-jdbc/
4. **TutorialsPoint** - *JDBC and Connection Pooling in Java*
   https://www.tutorialspoint.com/jdbc/jdbc_connection_pooling.htm

UNIT-IV: HTML Basics

1. **YouTube** - *HTML for Beginners - HTML Basics Tutorial*
   https://www.youtube.com/watch?v=UB1O30fR-EE
2. **YouTube** - *HTML Forms, Tables, and Meta Tags*
   https://www.youtube.com/watch?v=4nD62kxlALw
3. **W3Schools** - *HTML Tutorial*
   https://www.w3schools.com/html/
4. **GeeksforGeeks** - *HTML Tags and Elements*
   https://www.geeksforgeeks.org/html-tags/

UNIT-V: Java Servlets

1. **YouTube** - *Java Servlets - Introduction and Basics*
   https://www.youtube.com/watch?v=e5kn6lKNmn8
2. **YouTube** - *Servlet Lifecycle in Java*
   https://www.youtube.com/watch?v=fo1LgGJwMjs
3. **GeeksforGeeks** - *Introduction to Java Servlets*
   https://www.geeksforgeeks.org/servlet-in-java/
4. **TutorialsPoint** - *Java Servlets Tutorial*
   https://www.tutorialspoint.com/servlets/

UNIT-VI: Java Server Pages (JSP)

1. **YouTube** - *Introduction to JSP*
   https://www.youtube.com/watch?v=Fjqy6vAw4dE
2. **YouTube** - *JSP Basics and Setting up Environment*
   https://www.youtube.com/watch?v=5J9X3DbycrI
3. **GeeksforGeeks** - *JSP Tutorial*
   https://www.geeksforgeeks.org/java-server-pages-jsp/
4. **W3Schools** - *JSP Tutorial*
   https://www.w3schools.com/java/java_jsp_intro.asp
5. **Java2s** - *JSP Examples and Tutorials*
   https://www.java2s.com/Tutorials/Java/Java_Server_Pages/index.htm

These resources will help you cover the essential topics in **Java Programming and Dynamic Webpage Design** effectively.
